The conference is for people with a learning disability and carers and is free of charge. Professionals from Primary Care, Integrated Care Boards, Integrated Care Systems and others working across Health Improvement and Inequality.

COME AND JOIN US

- Talk to our keynote speakers from the National Learning Disability Team.
- Help to make a difference to improve the health experiences of people with a learning disability.
- Watch our drama presentation about people's experiences of having annual health checks.
- Join presentations showing some of the great work already going on in the region to reduce health inequalities.
- Help us to identify key priorities for the coming year.
